

In Loving Memory of Damon F. Hyde

" Love, like a beautiful song, echoes on in the heart even when the last note is silent. "

**Damon was and always will be
My Sun, Moon & Stars...
He was My Universe!**

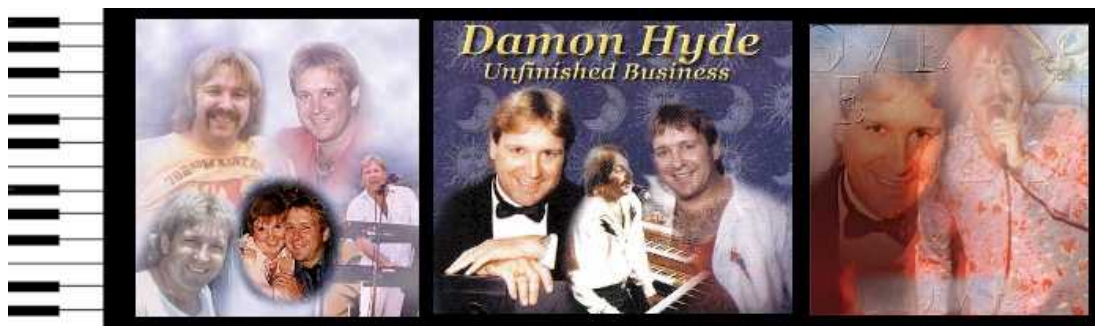

He was born on June 3,1947 and we knew each other for over 40 years. In fact...we were together as a couple for 25 years before his death. He died 6 days after his 52nd Birthday.

He was a Published Songwriter, composer, My Best Friend, Soul Mate and Husband.

His Memorial says.... I have only slipped away into the next room. Whatever we were to each other, that we are still. Call me by my old familiar name, speak to me in the easy way in which you always used to. Laugh as we always laughed together. Play, smile and think of me, and even pray for me. Let my name be the household word it always was. Let it be spoken without effort. Why should I be out of your mind because I am out of sight? I am but waiting for you. All is well. Nothing is past, nothing is lost. One brief moment and all will be as it was before- only better. His MUSIC will live on in Our Hearts forever. Damon will be missed for his gentle loving ways, extraordinary talent, kindred spirit, sweet soul, and unending kindness to all. His "Brown-Eyed Girl Pamela" is making a double CD in his honor called "Un finished Business"
